This beautiful gal has a pedigree that combines Royal Reputation with Concealed Weapon genetics! This cow is a producer. She has had 2 heifers and 4 bulls. She breeds back 45 days and less. In 2023 she had 2 calves. She had a bull 1-26-23 and a heifer 12-25-23. She has great mothering and milking ability. Easy to work and handle. We are letting her go because we have retained a daughter and granddaughter out of her.
